

ABOUT US

Established in 2002, Giltech Mizpah Machines Pvt Ltd (formerly known as Mispah Hi-Tech Machines) is a trusted name in office automation solutions across India. With over 20 years of experience, we specialize in the sales, rental, and servicing of a wide range of premium office equipment including cash counting machines, paper shredders, binding machines, laminators, fake note detectors, and digital paper cutters.

At Giltech, we're driven by a simple motto: "Deliver quality products with reliable support at affordable prices." Our team of trained professionals ensures that every customer receives personalized service, technical guidance, and lasting value.
